23<sup>rd</sup> November, 2016

Dear Parents/Guardians,

The 2017, student materials payments and voluntary contributions have been set by the Coimadai Primary School Council. We have structured the cost to families based around the guidelines provided by the Department of Education and Early Childhood Development, where schools are able to charge for the items that the students take possession of. **The 2016 school fees are \$180.00 per student, with the option of families paying a voluntary financial contribution of i.e. \$50.00, \$75.00, \$100.00 etc per family.** You will notice that the fees for 2017 have not increased from 2016; this is due to the fact that the goods that we purchase have remained at a steady price.

The school receives funding from the Department of Education and Early Childhood Development, on a quarterly basis. This amount covers some of the delivery and administration of the Domains of the AusVELS Curriculum across the school, utilities costs and management of the Coimadai facilities. Our cost to families in 2017 is based on the actual cost to continue the high standard of classroom programs we have offered in the past. Charges are based on **all** families contributing. The 2017 school fees are inclusive of the following items as well as other items not listed below:

**\$180.00 per child.** From the list above you can see that this money covers numerous materials that your child will use throughout the year. We will continue to order these materials from our suppliers and provide them as we have in the past. **This cost is NOT optional and must be paid for each child attending Coimadai Primary School.**

**Voluntary Financial Contribution** ~ i.e. **\$50.00, \$75.00, \$100.00 etc per family.** This amount is voluntary. These funds will be used to support the cost of photocopying, computer consumables, classroom programs and specialist programs. The amount of i.e.\$50.00, \$75.00, \$100.00 etc. per family reflects actual costs of providing Curriculum and Programs at Coimadai Primary School and the School Council is relying on each family to contribute.

If you have any questions or concerns, please do not hesitate to contact Moira at school on (03) 5367 2907.

Please be advised that Coimadai will NOT extend credit to families during 2017, due to some families in the past being given credit and failing to pay. Students will receive necessary text books on the 31<sup>st</sup> of January based on payment of fees. Students of families who have not paid will receive basic equipment for them to complete work, excluding text books.

Coimadai Primary School is committed to delivering a quality education in safe and attractive surroundings. Your continued support is most appreciated. Please ensure payment is finalised by Tuesday the 31<sup>st</sup> of January 2017.

Kind Regards

Moira Ross
