PURPOSE

To explain to our school community the rules and procedures we have in place in relation to dogs attending our school grounds.

SCOPE

This policy only applies to pet and stray dogs on school grounds. For policy information on wellbeing and engagement animals, refer to the department's [Wellbeing and Engagement Animals policy](#) on PAL.

POLICY

Definitions

A **pet dog** relates to any dog that is privately owned in the community for companionship reasons, rather than as a support function that requires specific skills or training.

A **stray dog** is any dog that is not accompanied by their owner.

Wellbeing dogs

For information on Wellbeing and Engagement animals, please refer to the [Wellbeing and Engagement Animal policy](#) on PAL.

Pet dogs

Coimadai Primary School is not a public place, and our Principal has the authority to permit or decline entry to school grounds and impose conditions of entry.

Whilst Coimadai Primary School understands that many families in our school community keep dogs as pets, to ensure that our school remains a safe and inclusive place for everyone, pet dogs are not permitted on school grounds under any circumstances.

Our school community is diverse, and may include people that are allergic or uncomfortable around dogs. We are also conscious of the health hazards that may be posed by dogs. We ask that families please leave their pet dogs at home or safely tether them outside school grounds when attending our school or school events.

The Principal has the authority to prohibit certain dogs from school grounds or modify this policy to ensure the safety and wellbeing of staff, students and members of our school community at any time.

Stray dogs

Unaccompanied or stray dogs sighted at our school should be reported immediately to staff in the office. School staff will contact municipal authorities and/or Victoria police for assistance in managing and removing a stray dog from school grounds, and ensure staff and students remain safe at school.
